

01 Number of web pages must be at least 5.

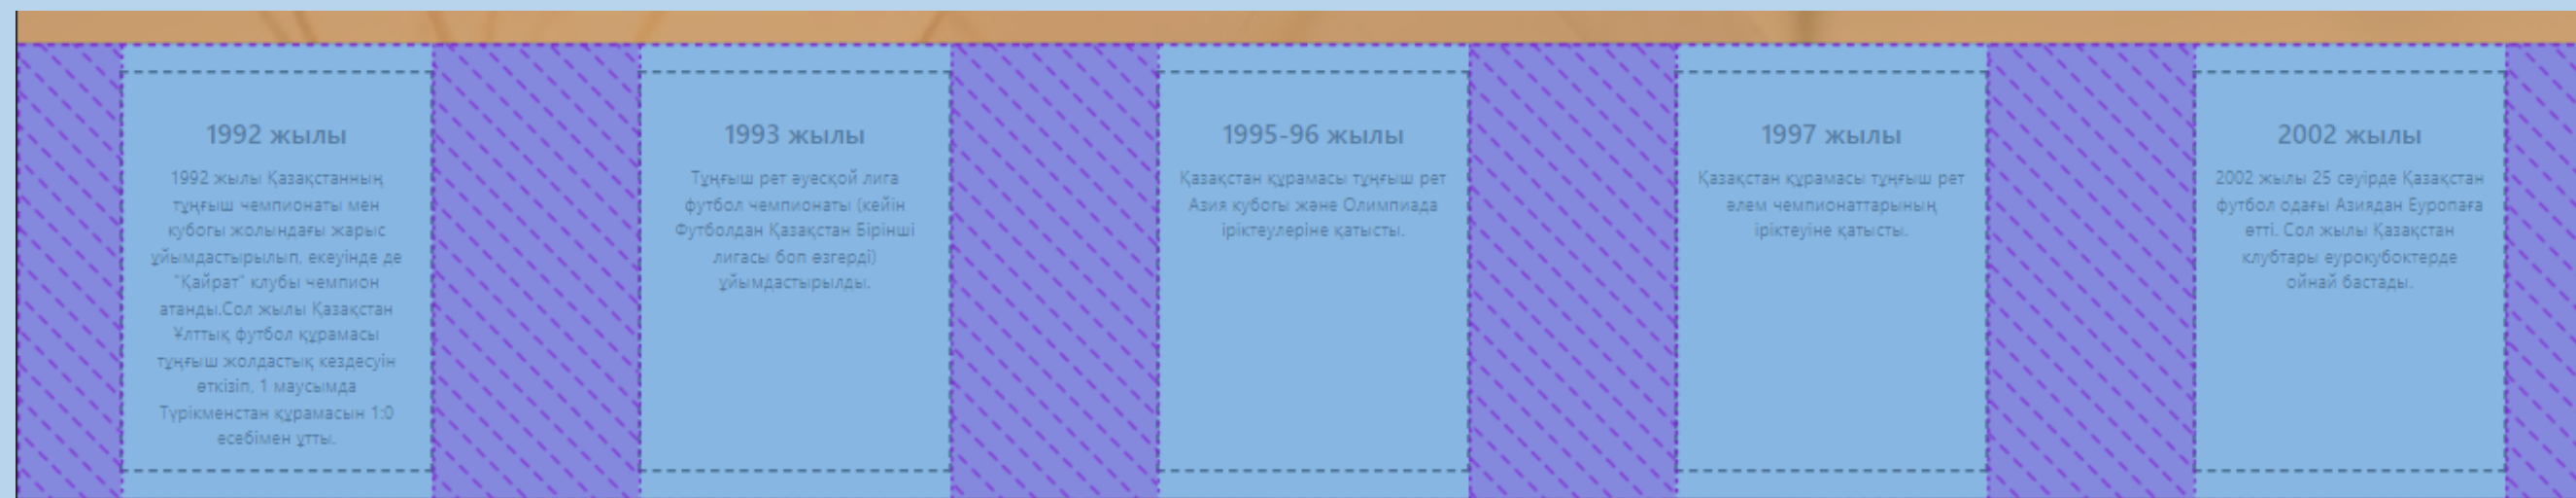

A screenshot of a file explorer window with a dark background. It displays a list of eight files. The files are: box.css (CSS icon), box.html (HTML icon), football.html (HTML icon), mma1.css (CSS icon), mma1.html (HTML icon), sport.html (HTML icon), Sport\_degen.html (HTML icon), and style.css (CSS icon). The icons are small and positioned to the left of the file names.

- style.css

02

The project must contain at least two flexbox containers with elements

03

Some HTML elements in project must be aligned by bootstrap grid system.

The diagram illustrates the alignment of HTML elements using the Bootstrap grid system. It consists of three main parts: a header, a main content area, and a footer.

**Header:** A dark blue bar with a dashed border. It contains three sections: a left section with contact information (Aron, 200103442@stu.sdu.edu.kz), a middle section with the text "Follow us", and a right section with contact information (Abylaihan, 200103357@stu.sdu.edu.kz).

**Main Content Area:** Two code snippets are shown, connected by dotted arrows. The left snippet shows the structure of a container and row, while the right snippet shows the structure of a row and columns.

```
<div class="container">
  <div class="row">
    <div class="col-5">...</div>
    <div class="col-4">...</div>
    <div class="col">...</div>
  </div>
</div>
```

```
<div class="container">
  <div class="row">
    <div class="col">
      <a href="sport.html" target="_blank">
        Basty Bet</a>
      </div>
    <div class="col">
      <a href="football.html" target="_blank">
        Football</a>
      </div>
    <div class="col">...</div>
    <div class="col">...</div>
  </div>
</div>
```

**Footer:** A dark blue bar with a dashed border. It contains four sections: "Basty Bet", "Football", "MMA", and "Boxing".
